BOARD FOR CORRECTION OF NAVAL RECORDS

2 NAVY ANNEX

WASHINGTON DC 20370-5100

Docket No: 5729-99

28 March 2000

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 28 March 2000. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by CNO memorandum 7220 SER N130C3/0U0166 of 3 March 2000, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

Record

1. Per enclosure (1), the petitioner is requesting back pay of Overseas Tour Extension Incentives Program (OTEIP) pay from 01 JUN 94 to 13 DEC 96, due to a homeport change from San Diego to Pearl Harbor, HI.

2. A review of the petitioner's Master Military Pay Account (MMPA) reveals that he reported to SEAL DELIVERY VEHICLE TEAM ONE (SDVT1) 13 Jan 92 and transferred on 13 Dec 96 with a projected rotation date (PRD) of JAN 97. In accordance with reference (a), a member at the end of their tour of duty must execute an agreement to extend that tour for a period of not less than one year from his/her PRD to be eligible to receive OTEIP pay.

3. N130C recommends disapproval of the petitioner's request for OTEIP pay unless he can provide an extension agreement certifying entitlement of OTEIP from NPC-451D.
